

John Benedict Biagtas

AI AUTOMATION SPECIALIST

Philippines | +63 929 565 9969 | johnbenedictbiagtas@gmail.com | benautomation.dev

Summary

Self-taught AI Automation Specialist with hands-on experience building end-to-end workflows using n8n, Make.com, and Zapier. Comfortable working with AI models including Claude AI, Groq, and ChatGPT to build practical systems like lead outreach pipelines, hiring screeners, content generators, and self-healing monitors. Experienced in integrating tools across CRM, communication, and productivity platforms.
